Applies to all rented facilities:

- There will be one Foundation Park Conservancy staff member on-site for every rental event, at every facility, the duration of the event.
- We will only have security at the client's request and at a cost to the client.

About our fees:

- Foundation Park Conservancy charges a nominal fee for both food and alcohol at your event to offset the organization's annual cost for a food and liquor license in addition to the cost for preparing and cleaning the facilities after your event where food/drink have been served.

If you are looking for a licensed caterer, restaurant, or food truck, the Knox County Health Department has a list of all current, in-good-standing licensed entities in Knox County.
- If you are selling food at your event, Foundation Park Conservancy will receive 15% of sales.

ALCOHOL

- There is a nonrefundable \$75 fee to have alcohol at your event.
- Any event—private or public—that is serving alcohol must go through Foundation Park Conservancy's Food and Beverage Manager, Mr. Jeff Boucher. This includes any serving staff.

- If anyone is found with alcohol at Schnormeier Event Center or the Community Foundation Pavilion for an event that did not go through the proper channels, they will receive one warning to remove the alcohol.
