

PPG Timecard Form

For decades, employees at the Mount Vernon PPG Plant passed through the Clock House to clock-in and clock-out. The Foundation Park Conservancy intends to preserve the heritage of PPG families. If one of your family members worked at PPG, you may honor that individual with a personalized timecard that will remain on permanent display in the park's museum.

The cost of each timecard is \$250. Proceeds will benefit Ariel-Foundation Park. For more information, contact the Foundation Park Conservancy at marketing@arielfoundationpark.org.

(Please print clearly)
